How it all began...

The Leatherby family operated the Main Street Café in Mount Pleasant, Iowa in the 1940's and 1950's. It became a gathering place for the community and was the inspiration for Leatherby's Family Creamery.

The Leatherby legacy continues

Since Leatherby's founding in 1982, the family of Dave and Sally Leatherby has grown to over 100 members and over 70 grandchildren—many of whom work in our Creameries. Our "extended family" of past and present employees has grown to include cousins, uncles and aunts, nieces and nephews, in-laws, many family friends, plus over 5,000 young people from the area! In this way, combined with our support of many organizations, charities, schools, teams and other worthwhile causes, we endeavor to contribute to the overall good of our community. It is your patronage of Leatherby's Family Creamery that helps make all of this possible, and for this we thank you!

Grandparents Al and Orpha, Daddy Dave and Sally, their 10 children, spouses and five grandchildren.
